Shuttle Parking for Orientation Week:

Visit the Office of Student Life [All School Orientation Page](#) and click on the School of Health Professions tab to see which parking lot our school is assigned. It is important that incoming students park in our assigned lot as this helps facilitate the numbers of cars each lot will hold. Shuttles will then take students from the parking lot to your drop off location.

Some curbside parking on campus is reserved for students who have purchased a student parking hang tag in advance. Parking in the neighborhoods surrounding the UTMB Campus, as well as some spots located on city streets within campus, are restricted via the City of Galveston regulations. Regardless of where you park, please take notice of the signs whether posted by UTMB or the City of Galveston to avoid any frustration or parking citations.

It is highly recommended that students who do not have student parking secured utilize the shuttle lot to avoid parking tickets. *Note: this lot is reserved for new students during orientation week only.*

You can find out more about securing a parking spot on campus prior to orientation by visiting the links below [UTMB Parking Facilities Home Page](#) [Student Parking Page](#)

For more information on parking, please contact the Parking Office at (409) 266-7275.

NEW STUDENT HOUSING & ROOMMATE FORUM

Students have asked time and time again for an online platform to find housing opportunities in Galveston, and Student Life listened! We created a Student Housing & Roommate Forum for UTMB students seeking roommates and/or housing. It will act as an online bulletin board for students to connect with each other, as well as find housing opportunities posted by the Galveston community. Feel free to join, post, and share with anyone that you think might benefit from the group!
