ACKNOWLEDGEMENT FORM

INSTRUCTIONS: Upon completion of the orientation session or discussion, each student must sign, date, and return this acknowledgement form. This fully executed form will be placed in the student file to indicate that the policies, procedures, etc., associated with enrollment and participation in the Clinical Laboratory Sciences Program have been received by the student. Further, signing this form acknowledges that any questions regarding the information contained within the Handbook have been answered to the student’s satisfaction and understanding. Students not attending the formal orientation are required to read the Handbook and to have clarified any questions with Dr. Freeman or their advisor. For these students, the form must be returned no later than one (1) week following receipt of the Handbook. Those not attending the formal orientation are expected to view any videos, computer instruction, exercises, etc., which may have been part of the formal orientation.

I, ________________________________ (print name), have attended the formal Orientation Session or have read the Student Handbook and have had any questions relating to the policies, procedures, and protocols of the Clinical Laboratory Sciences Program in which I am enrolled answered to my satisfaction and understanding. I understand that my signature on this form will acknowledge that I agree, as a student in the department of Clinical Laboratory Sciences at The University of Texas Medical Branch, to adhere to all the policies and guidelines presented within the Orientation Handbook or be subject to the resulting consequences.
