

2019 SPONSORSHIP OPPORTUNITIES

UTMB SCHOOL OF HEALTH PROFESSIONS' CAUSEWAY FUND RUN/WALK...

is one of the most unique fundraising runs on Galveston Island. It is one of only two yearly races on the Causeway, which spans Galveston Bay. The course is USA Track and Field certified, appealing to serious runners, but given the distinctive venue, it offers a route casual runners/walkers will most certainly appreciate. Your support of the FunD Run/Walk is invaluable and a commitment to the success of our future health care professionals.

UTMB SCHOOL OF HEALTH PROFESSIONS...

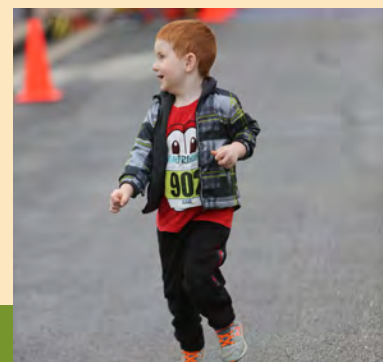

is dedicated to educating health professions students to meet the health care needs of a growing state by preparing competent professionals to assume clinical and administrative roles in the provision of health services. Respiratory Therapists, Clinical Laboratory Scientists, Nutritionists, and Occupational and Physical Therapists will help to solve problems related to medical care distribution, access and cost.

SHP CAUSEWAY FUND RUN/WALK...

benefits SHP student scholarships. Revived in 2013, after a 15 year hiatus, the FunD Run/Walk has seen over 500-600 participants each year and it is our goal to continue to grow this event annually. Over 70 in-kind and cash sponsors supported the event in 2018. We invite your engagement in this event, asking you to become a sponsor, helping to provide scholarships for the many talented students in the School of Health Professions. As you will find in the following pages, we have endeavored to make this mutually beneficial to our valued sponsors.

Cash and in-kind sponsorship levels range from the \$10,000 Champion level sponsor to the \$150 Friend level sponsor. For in-kind sponsorships, whether for services or products, the various levels can be used as a guide for benefits.

REASONS TO SUPPORT THE SHP FUND RUN/WALK...

There are several compelling reasons to support the SHP Annual Appeal for Student Scholarships:

- Help students minimize debt;
- Strengthen our ability to recruit and retain outstanding students from all age groups and various cultural backgrounds;
- Allow students to focus on their studies, clinical field rotations, community outreach and service-learning programs;
- Promote self-respect and confidence as it recognizes individual academic achievement;
- Advance the academic learning environment at the SHP.
