Parking and Transportation
Parking WILL NOT be available at the Galveston County Daily News parking lot, nor along Teichman Road. Parking is limited. Carpooling is highly suggested.

Community Parking Lots & Shuttles: Participant parking will be available at the following 3 lots:

- Home Depot & Target Parking & Shuttle Lot Exit 1A 6128 Broadway (1.60 miles if walking)
- Charlie Thomas/Galveston College Family Applied Technology Center Parking & Shuttle Lot Exit 1B 7626 Broadway (0.61 miles if walking)
- Sea Scout Base Camp Foundation Parking & Shuttle Lot Exit 1B - 7402 Broadway (0.77 miles if walking)

Continuous shuttle service will pick up participants from the three parking lots and shuttle them to the drop off area at the Galveston County Daily News building parking lot. The shuttle will run from 6:30 a.m. to 8:15 a.m. and return shuttles will run from 9:00 a.m. to 10:30 a.m. Please allow plenty of time to park, shuttle and arrive at the staging area for the FunD Run/Walk. Please be advised Galveston Police Department will close the southbound Teichman Road exit (Exit 1C) lane at 7:15 a.m. Directional signage will be in place to guide participants to lots and to shuttle pick-up locales. Student Volunteers will be assigned at each lot for parking assistance.

Water Stations, Strollers, Bikes, Skateboards and Pets:
Safety considerations prohibit the placement of water stations on the Causeway. Participants are encouraged to carry water with them. Water stations will be provided at the Galveston Daily News (before the Causeway), however there will be no water stations on the bridge. Due to TXDOT regulations and for participant safety no skateboards, bikes or strollers will be allowed on the Galveston Island Causeway. This regulation is enforced because only one lane of the causeway heading north on the southbound outside lanes of the bridge will be closed and not closed to all in-bound traffic. No pets will be allowed on the Galveston Island Causeway. Individuals with disabilities can bring their service animals. We do ask however, that you keep in mind your safety and the safety of your pet that only one lane of the causeway heading north on the southbound outside lanes of the bridge will be closed and not closed to all in-bound traffic.

Race Results: Our timing company FTR Race Management, will be posting results at: http://www.ftrracemanagement.com/results.html
You may view your results instantly on designated computer kiosks at the race. You will also receive an email immediately after the event with a link to your race results. Within 1-2 days, your finish line video clip will be available on your results page.
