Physical Therapist (Bakersfield)

Are you a self-motivated, high energy Physical Therapist looking for a great team? Centre for Neuro Skills (CNS) may be looking for you! CNS-Bakersfield has a full-time Physical Therapist position available.

CNS helps people with brain injury find hope, independence and a meaningful life - and you can play a key role in that journey as a Physical Therapist.

This position in Physical Therapy is full time Monday - Friday, 7:30 AM - 4:30 PM, no weekends, no holidays! As part of the multi-disciplinary therapy team, you will perform patient PT evals, develop & implement PT treatment programs and foster independence in activities of daily living.

CNS is an experienced and respected provider of post-acute rehabilitation programs, and offers intensive residential, modified inpatient, outpatient and assisted living rehabilitation programs for individuals recovering from all types of brain injury. The CNS community-based approach focuses on helping patients regain a normal rhythm of living and independence. Therapy is designed to foster a return to a typical at-home living situation.

Bakersfield is a friendly and affordable community located in the Central Valley of California, within easy driving distance of beaches, mountains, and the cultural and sporting experiences of Southern California. Bakersfield offers a wide variety of activities including outdoor recreation, sporting events, concerts and much more.
